Hiring Manager

BTN

I am writing to express my interest in applying for the Officer Development Program - Business Banking position at PT Bank Tabungan Negara (BTN) that I found on social media instagram. I believe that my experience in business analysis, leadership skills, and my knowledge of the banking and finance industry make me an ideal candidate for this position. With a strong background in Information Systems and experience working with various teams, I am ready to contribute and grow in a dynamic environment like BTN.

As an Information Systems student at Universitas Trunojoyo Madura, I have developed strong analytical skills and a solid understanding of the technology and business processes that underpin it. I am also actively involved in organizations and activities that enhance my communication, problem-solving, and decision-making abilities. Furthermore, my experience in technology and business projects, both individually and in teams, has equipped me with relevant skills to manage and develop solutions that can improve business performance.

I am particularly interested in joining BTN because I believe this program will provide me with the opportunity to learn directly from experienced professionals in the banking industry. Moreover, I am confident that this role will allow me to develop strategic and operational skills that will prepare me for managerial positions in the future. With a strong commitment to personal development and the ability to adapt quickly, I am eager to contribute to the Business Banking team at BTN.

I look forward to the opportunity to meet and discuss how I can bring value to BTN. Thank you for considering my application. I am excited about the possibility of speaking with you further.
